Thank you for the opportunity to share my ministry and music with you. Partner in Life is a spiritual music journey that walks you into a desired relationship with Christ. Each song takes you deeper into that personal connection God so desires from His children.

Please take this opportunity to sample the songs on the CD. The quest is to share Partner in Life with all those seeking to grow deeper in their personal relationship with Christ. Because music is a universal language, we are not just targeting one group of worshippers. The songs have a variety of style, and lyrics that color the canvas to paint a very clear picture of life circumstances we can all relate to.

As a contemporary Christian artist sharing this music ministry and building the kingdom is our desire. We are available as an opening act 1 or 2 songs (Band w/MarQuee & BGV or MarQuee & BGV w/Tracks or MarQuee w/BGT), mini concert 3-5 songs (Band/Artistw/BGV or MarQuee), music/drama concert full CD, and we also have a 90mins musical production show.

MarQuee uses Partner in Life for her ministry of loving God first before man. This is hugely important because it sets the foundation for ones life. The CD opens with "I'm Blessed" a bold testament to ones position in life. (ie...We are Blessed simply because we exist.). The next selection is a plea to enter into relationship, "I Want To Know You". With every relationship beginning, we are faced with some revealing truths, "Yesterday". Followed by a revealing truth is the realization - "Partner in Life". There are other selections on the CD, Yo Money, Drifting..., The Love Between Us and Can We Bow... please sample them as you wish on the website.

We hope you will find our ministry useful for your event, and we look forward to the opportunity of worshipping with you.

Sincerely
In Christ-
MarQuee
